

TECHNICAL EXHIBIT 5-007**PRIORITY PULL LISTING**

The following chart is based on IRM 3.5.61.1.2.3 (01-01-2004) with modifications:

The following is the priority list to be used by the files area for pulling returns. Deviation from the list can be made, at the discretion of files management. If the decision to deviate from the priority list affects the pulling of Statistics of Income (SOI) requests, notify the SOI Editing Unit requesting the returns.

- a. Special EXPEDITE Requests (examples: court cases, TA, Dishonored Check Processing), GAO
- b. Daily requests for returns and documents not yet processed to good tape (example: Rejects)
- c. Daily requests for the Questionable Refund Detection Team
- d. Weekly (cyclic) requests for SOI, Refund Review, Notice Review, AIMS, Unpostables and internal notices
- e. PAS/Balanced Measures
- f. Other requests
